 Mumbai, Worli – 400018, Behind SVP Stadium, Bharat Nagar

Career Objective

Motivated and detail-oriented Computer Engineering student with a strong foundation in front-end development and programming. Eager to apply my skills in real-world projects, collaborate in team environments, and continuously grow as a developer. Passionate about clean UI design and building impactful digital solutions.

Education

Bachelor of Engineering – Computer Engineering

Saboo Siddik College of Engineering, Mumbai

Current Year: 2nd Year (Expected Graduation: 2027)

Technical Skills

- Frontend Development: HTML, CSS, JavaScript
- Programming Languages: Python, Java
- Tools & Technologies: Git, Visual Studio Code, LinkedIn Learning
- Concepts: Responsive Design, DOM Manipulation, UI/UX Principles
- Soft Skills: Teamwork, Problem-solving, Communication, Self-learning

Projects

1. Personal Portfolio Website

- Developed a responsive and interactive personal portfolio using HTML, CSS, and JavaScript.
- Features sections like About Me, Skills, Projects, and a Contact form.
- Implemented interactive buttons and social media icons with hover and click animations.
- Designed with clean, modern UI principles to reflect a professional presence.

2. To-Do List Applications

- Created multiple dynamic to-do list apps featuring add, delete, and task completion functionalities.
- Enhanced functionality with JavaScript logic, local storage, and responsive layouts.
- Focused on user-friendly design, efficient DOM manipulation, and interactive UI elements.

Certifications

- Software Development Fundamentals – LinkedIn Learning
- Python Bootcamp – Online Training Program

Extra Activities

- Active member of college coding groups, regularly participating in collaborative development sessions and coding events.
- Enthusiastic learner who explores new web technologies and practices problem-solving on coding platforms.
